**David Adcock, KA4KKF**

It's hot, hot, hot. August is here and it is hot. This month we have several activities for you. August 6 there are 2 event that need your help, Dacula's Centennial parade in Dacula on Saturday, and Run for Life, a 5K and 10K @ Kennesaw State University. Also at the end of the month, we have the dog show fund raiser. Call Earl, af4fg for the parade or Win, n1twx for the run, and Dan, kf4ysu for the dog show.

Have you gotten the August QST? If so, look under HAPPENINGS page 64. The article is "Get Involved in the Good Things in Amateur Radio!". If you don't get QST, pick up a copy from a buddy or buy one at HRO.

The best way to get it is to join the A.R.R.L. You can also sign up for free email forwarding service and the section manager report plus other reports on contest and events. The web site has other interesting subjects to explore.

APRS, are you involved? There are 2 sites that you need to visit. If you are just starting or an old timer visit these sites and catch up on the new stuff.

The big buzz now is the cw requirement for a license may finally be pulled. This does not mean the death of cw, just a test requirement. CW will be around as long as there are people that like to operate in that mode. There are people today that operate in AM mode. How long has that been an antique mode. CW may become the mode of choice for a lot of people because of its simplicity. As for keeping the so called riffraff out of the hobby, we don't want to keep people out. We want to bring people in and teach them how to be good operators and enjoy the hobby and provide a service to the community. It is the responsibility of the clubs to make sure that people understand what amateur radio is about and what we can do.

## July Meeting Minutes

July 12, 2005 – Minutes

David Adcock KA4KKF, Club President, opened the business portion of the meeting at 8:32pm local. This was after a presentation on QRP by Ken Evans W4DU

Treasurer's report – Dan KF4YSU – Highlighted the end of year report for 2005 and the budget for next year.

Membership report – Bill WB4WTN – three new members were nominated for membership.

KG4ONJ Mike Barr

KT4WN Roosevelt Allen

WA4BJC Bob Krohn joined with his family

Norm WA4ZXV motioned for approval and these memberships were approved.

Repeater report – David KA4KKF gave highlights in Eddie's WD4JEM absence.

We will be getting a new controller that will offer more remote links, Echolink, different announcements based on time and date. This same controller is currently being used by Atlanta Radio Club. This is just the first of a long range plan to upgrade equipment.

We need a work party to help clean up and mow at the repeater site. Perhaps after a Saturday breakfast soon.

Venture Crew 73 – presented a plaque to the club with the re-charter.

Susan AF4FO – presented Norm Schklar WA4ZXV as the new Public Information Coordinator for the Georgia Section.

Mike K4HBI – had various pieces of equipment that he was offering free to a good home.

Ray KI4GRJ – is looking for suggestions for this year's Tech Fest. He also is in need of assistance with signage. Please contact him at [Ray@sback.org](mailto:Ray@sback.org)

Announcements –

Sept 14 – Wed 7-9pm at Central Gwinnett High School – Technician classes will begin. Maybe Extra if interest.

Aug 26, 27, 28 – The annual Dog Show. Ask Dan KF4YSU for info about this important fundraising event.

Meeting was adjourned at 9:07 pm.

## GARS Apparel

Several items of clothing that feature our Club logo and/or your call sign are available to Club members. These items include polo shirts, sweat shirts, caps, jackets and other articles. Call sign badges can also be ordered. See Dan Keohan, KF4YSU, at the next Club meeting for a listing of items and their associated costs.

### *President from page 1*

Clubs provide an environment for hams to get together and share ideas and have fun, train each other. Clubs depend on its members to make things happen. Events and demos are but a few things we do. Public service is another and a big one right now. What can you do for Amateur Radio? What can you do for GARS?

Well, its time to close and I'll ask again. GARS is looking for a newsletter editor. We need someone to put the GARZETTE together every month. Contact Norm wa4zxv if you want more information about the job.

See you at the next meeting .

See you on the air.

73 till next time

## Executive Committee Meeting

All interested individuals are invited and encouraged to attend the monthly Executive Committee Meeting. Presently, these gatherings occur one hour in advance of the regular Club Meeting. The location is in a classroom immediately near the Club meeting space.

Several years ago these Ex. Comm. meetings were instituted for the purpose of saving more time in our Club meetings for "radio talk" verses the business of the Club. To that end, they have been successful. However, some members enjoy ALL aspects of the Club, and as such, are encouraged to come, participate, share insights and opinions! We will all be benefited by the sharing of ideas & experience.

For the latest Club news, visit the GARS Website:

## Field Day 2005

## GARS Elmers

Many of us, Hams, got interested in the hobby (service) as a result of some influence an experienced Ham had on us. The GARS organization is blessed with a lot of talented members that are willing to share their knowledge. The following list is made up of those individuals willing to serve as Elmers. Hopefully, this list will grow, and in time, maybe we'll get more who are willing to add a particular area of expertise.

KF4KSE David Moon (770) 279-9924

## Dacula Celebrates 100 Years

Members of GARS were asked to support the Dacula Parade on August 6. The parade was much smaller than the Memorial Day event, but still a great showing of community pride.

Earl Whatley, AF4FG—Norm Schklar, WA4ZXV

David Adcock, KA4KKF —Dave Bruse, W4DTR

Doug Kregel, KB6RRX were on hand to help.

Thanks for all the help!

### DACULA MEMORIAL DAY PARADE

The only metro Atlanta Memorial Day parade is held each year in Dacula and once again GARS played an active role in making this event a successful tribute to America's veterans. This parade is the brainchild of Marvin Atherton, KG4FHB, who enlisted the club's help for the 12<sup>th</sup> year to provide communications and get the parade participants lined up. In spite of the rain, 16 club members successfully performed a complex task and over 350 participants and more than 200 vehicles started on time.

This year marks the 60<sup>th</sup> anniversary of the invasion of the Pacific island of Iwo Jima and the parade's Grand Marshall was Jay Fiscus, a Marine veteran of that decisive battle. His vehicle was preceded by three color guards; Hebron Baptist Church veterans, the Georgia State Defense Force and the Civil Air Patrol. Following him was the Marine Corp League, Georgia Detachment #952, manning a float depicting the flag raising on Iwo Jima, US submarine veterans, the American Legion and other veterans. Hundreds of people lined the parade route to honor these and others who have defended our country.

GARS can be proud of their contribution to this Gwinnett County tradition. In addition to honoring our country's veterans we have provided a valuable service to our community and we had fun doing it. Special thanks are due all those who helped out this year.

## GARS and Gold Rush Earl Whatley, AF4FG

Actions have consequences, but when the result doesn't immediately follow the action we don't always realize that our efforts have been of benefit to us or our community. GARS needs to know that some of our past activities have had produced some very positive results.

The Gold Rush Jamboree was a biannual event held at Sandy Creek Park in Athens. Over 5000 Boy Scouts, Cub Scouts and their leaders set up camp for a weekend and invited visitors to join them in their events. Those events were organized by volunteers and organizations to provide healthy, fun and educational activities. GARS was invited to be one of those organizations and we outdid ourselves. In the last two Gold Rush Jamborees over 20 GARS members set up an event that rivaled field day. A Yagi antenna mounted atop a portable tower marked the exhibit area where Scouts were introduced to radio in general and amateur radio in particular.

There were computers set up with radio related quizzes and games and there was a four foot CW key for a left foot Morse code contest. One year there was a balloon mounted camera transmitting amateur television from the activity field to the exhibit area. Another year there was a fox hunt that combined amateur radio and a map/compass course. A two meter rig was used for local communication and there were as many as five HF rigs offering scouts the opportunity to talk to hams around the world. It was a big hit with the scouts and especially with the scout leaders.

If success is measured by the immediate results then GARS was very successful indeed. The BSA Northeast Georgia Council was so impressed that they awarded special recognition to us. GARS members and Scouts had fun and Scouts talked about it for months. But we are only learning now of other results. Our event sparked an interest in radio in several young men. At least six boys were interested enough to earn their license as a result of their exposure to amateur radio at Gold Rush. Two of those got their dads interested (both dads are scout leaders) and at least one other adult leader got his ticket.

It's had a snowball effect. Ten years ago, several adult scout leaders who are also hams tried to count the number of scouts and leaders in the Northeast Georgia Council who had their ticket. We could only identify 19. Today there are over 100 including several in our own Crew 73 and that doesn't count the ones who earned their ticket but are no longer actively involved in scouting.

...Continued next column

...Continued from previous column

We will probably never know all of the consequences of GARS' actions at Gold Rush and other scout events but I think we can say that they were beneficial for all concerned. It doesn't stop here of course. We've been invited to participate in a Cub Scout event this fall at Scoutland and we're making plans for a JOTA (Jamboree On The Air) station(s) again this October. As fascinating as amateur radio is to us it is even more so to scouts and I can't wait to introduce it to them.

### September 13th Meeting:

**Fire Safety from Gwinnett Fire Services**

**Cherokee Rose Cluster Dog Show**

**When: August 26, 27, 28 2005**

**We need your help to make this a success!**

GARS and Gwinnett ARES provide directing the parking and collecting parking fees for the Cherokee Rose Cluster Dog Show. There is usually a donation for these services, and this is shared between GARS and Gwinnett ARES.

The dog show is just off the Jonesboro Rd Exit from 285. Go East at the exit and take a left at the first intersection. The facility is called the Atlanta Expo Center South, 3850 Jonesboro Road, Atlanta, GA 30354.

Shifts are from 6am to 10am and 10am to 2pm. There are shifts on Friday, Saturday and Sunday. The on-site frequency is 146.505, or the clubs portable repeater. The site is out of range of the GARS repeater. We need about 15 members per shift. To sign up for the dog show event, please contact Dan ([kf4ysu@arrl.net](mailto:kf4ysu@arrl.net)) or David ([ka4kkf@arrl.net](mailto:ka4kkf@arrl.net)) or sign up at the next club meeting. **This is a very significant event for our club's budget, so it is important to provide the services expected.**

## The GARZETTE

The GARZETTE is the official monthly organ of the Gwinnett Amateur Radio Society serving its members and other persons interested in the advancement of the amateur radio art.

Original articles, art, and photos are invited and encouraged. Previously copyrighted submissions cannot be accepted for reprinting unless permission from the appropriate publisher is provided in writing along with the information being submitted. If reprints are from publications allowing their unrestricted use, please include a copy of the printed permission contained in the publication.

If possible, bring your articles to the monthly meeting in Microsoft Word format or by email to [wa4zxv@arri.net](mailto:wa4zxv@arri.net). Artwork can be accepted in most any graphics format and can be submitted via email to the same address. Alternate means of submittal can be arranged when necessary.

In keeping with the amateur radio spirit, permission is hereby granted for the reproduction of The GARZETTE articles by other amateur radio club newsletters provided that proper credit is given to the individual author and to The GARZETTE.

The GARZETTE is published each month with the assistance of Hal Manning, who prints the news letter. Rick Patchin, KD4RFK does the final production work on The GARZETTE by folding & labeling. John A. Davis, WB4QDX, stamps and gets the end product to the Post Office each month. Paul McInnish, K4BET who manages email delivery. Many thanks to each of them and all article contributors.

Deadline for submissions is the 20th of each month for inclusion in the following month's issue.
